under discussion is whether the rules..excuse me, whether Senator Maresh's motion shall prevail and that be to introduce a new bill.

CLERK: Senator Marsh voting aye. Senator Rasmussen voting aye. Senator Nore voting aye. Senator Rasmussen voting aye on the original motion. Senator Stromer voting aye on the original motion. Senator Wiltse voting aye on the original motion.

SPEAKER: Don't be in too big of a hurry, Senator Maresh, this is the first quiet we have had all morning. OK, go ahead, sir. The question under vote is whether the bill shall be introduced or not. Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature, I move that the Call be raised.

SPEAKER: The motion is to raise the Call. All those in favor vote aye. All those opposed vote no. Have you all voted? The clerk will record.

CLERK: 36 ayes, Mr. President, to raise the Call.

SPEAKER: The Call is raised. Pardon me. Senator Proud voting aye on the original vote. Senator Luedtke voting aye. Thank you.

CLERK: 33 ayes, Mr. President, on the motion to introduce.

SPEAKER: Very good. The bill is introduced. The clerk want to read the title? Do we have it drawn?

CLERK: Read title. LB 481. Mr. President, we have some committee reports.

SPEAKER: Before you read the reports, the chair would like to exercise its prerogative and introduce to the Legislature this morning, seated in the south balcony we have 24 Fourth Grade students from Arnold School, here in Lincoln. I believe that is Senator Warner's district. Their instructor is Mrs. Hurd and on behalf of the Unicameral Legislature we want to welcome you here this morning and we are grateful that you could take time from your studies to come down here and see where the action is. We are very pleased to have you. Just for the youngsters appreciation, perhaps. You can be seated. I would like to point out something to you. The other day someone wrote a column about this chamber and they were pointing about the gold that's...the gold leaf that is inlaid in the ceiling up here and I wanted you to notice the first beam up there because you will notice it has lions and castles on it and that is to indicate that, of course, we were first under the Spanish influence. Nebraska next fell under the French influence and you will notice the center beam up there has the Napoleonic bees (?) and the fleur-de-lys indicating the French, of course, influence. We are now, of course, under our own influence and so the third beam above me has the American shield and the American eagle in it. We thought maybe you might appreciate that little jaunt into history. Now, do we have some reports?

CLERK: Mr. President. Read. Mr. President, we have a request unanimous consent to add the name of Senator Frank Lewis to LB 231 and to withdraw the name of Senator Kime.

SPEAKER: A request and I didn't catch the names.

CLERK: To add Frank Lewis to LB 231 and withdraw Old Gold Kime.

SPEAKER: Is that the only name on the bill? That's a substitution. We have before us a request by Senator Lewis that his name be placed on a bill that Senator Kime has. The
